

Message from The President

If you are interested in getting more involved in PTA this coming year, please let me know. We are always looking for new people and new ideas. Committees are forming for next school year and we need volunteers to chair them. We particularly need individuals to oversee BOXTOPS and Albertson's Community Partner Cards for next year. If you can help out or would like more information, contact me at fwrlc@att.net or 522-1026.

A huge thank you to all the volunteers that helped out with the Bookfair and all the families that supported this fundraiser for our library. A special thank you to Jeannine Combs for coordinating the volunteers.

The PTA will once again be offering school supply kits for the 2008-2009 school year. This is a community service that we offer to our families. Watch for order forms in next Wednesday's packet. You will also be able to go online at www.edukitinc.com and place your order with a credit card.

The mission of the PTA is to support and speak on behalf of children and youth in schools, in the community and before government bodies and to the organizations that make the decisions affecting children. To assist parents in developing the skills they need to raise and protect their children, and to encourage parent and public involvement in the public schools of this nation.
